### **HEALTHY ENVIRONMENT & PROPER CARE**

This puppy/dog is to be an inside dog, and will not be left outside when no one is home, or kept in a kennel, barn, shed, dog house or anything other than a home. The Buyer agrees to provide a happy, healthy environment for the puppy, and to monitor them closely. It takes time for them to adjust to changes in their environment. If there are changes to their diet, it should be done gradually over a 2 week period.

Tea-cup/Toy Aussies and other small breeds are prone to hypoglycemia, and it almost always passes with time. Due to this, they should be fed at least 3 - 4 times per day, and if this is not possible, they should have food available to them at all times. They should have fresh water available to them at all times. If any change in behavior is noticed, contact the Seller immediately, and contact a licensed veterinarian.

I recommend that you do not introduce the puppy to strange dogs until they have had all their vaccinations. Do not take to dog parks until all their vaccinations are complete as well, as they can contract disease from dog urine or feces.

This guarantee does not cover hypoglycemia, trachea collapse, retained testicles or parasites of any kind, including, but not limited to, Giardia or Coccidia.

This puppy/dog is a TOY BREED. Please be aware that LUXATING PATELLA'S, OPEN FONTANELLE, OVERBITE/UNDER BITE are common to Toy Breeds and will NOT be covered by the breeder.
